FROM THE DEAN'S OFFICE

Welcome again to all faculty, staff and new students. And a special welcome back to returning students whom I have not had a chance to greet!

This year we are "celebrating diversity, uniting as one". Our cultural differences complement us and enliven our community. We at Doheny are fortunate to build a community that enfolds all our differences and thus from our diversity, we grow into one body.

There will be exciting events taking place to celebrate this year of cultural diversity. Our Horizons Day speaker will be Maya Angelou, and once a month we will have a festive International Dinner. I urge you to take advantage of all the special events planned.

I look forward to this year of celebrating cultural diversity and hope that each of you will be changed, enriched, and grow from this diversity.

If I can assist you or make it a better year for you, please come by my office in Building #10 and ask any questions, offer suggestions, or let me know your concerns.

Dean of the Doheny Campus

The attached letter is from the Executive Director of the National Association of Student Financial Aid Administrators (NASFAA).

The Financial Aid Office is sharing this letter to the student body to ease your frustrations of the financial aid process.

We are asking your cooperation and patience as we continue to process all request for financial assistance.

Due to processing difficulties, the financial aid office will be open the following hours effective September 11th thru September 29th.

Monday, Wednesday, and Fridays	9:00 - 12:00 (ONLY)
Tuesdays and Thursdays	1:00 - 4:00 (ONLY)

We deeply appreciate your understanding.

Letter Sent to Institutional President

Hotline (202) 785-0451

August 5, 1986

Dear President:

Student enrollments at your institution for 1986-87 may be adversely affected because of recent and untimely regulatory and legislative actions. Reports from a majority of NASFAA institutions nationwide suggest that these actions, which impose new eligibility criteria and verification requirements, are seriously delaying the processing of student aid applications.

There has been as much as a 60 percent decrease in the number of Guaranteed Student Loans processed to date, as compared to last year, according to State Guaranty Agencies, lenders, and institutions. This is a direct result of the Consolidated Omnibus Budget Reconciliation Act, enacted on April 7, coupled with expanded and confusing verification regulations published by the Education Department on March 14. Further, expanded verification of application data elements has extended the processing time for other Federal student aid programs by as much as two months.

Currently, financial aid administrators are earnestly trying to notify families of the new rules, collect and review the information submitted in order to finalize awards, and deliver financial aid dollars to students in a timely manner. In spite of these efforts, the sheer volume of required documentation is creating a major backlog in all of the processing systems. In addition, the personnel, mailing, and processing costs associated with this activity are significantly impacting institutional operating budgets.

Efforts are under way at the Education Department to modify the existing regulatory requirements. The fact remains, however, that even total repeal of these requirements would not provide the relief needed to ensure the timely delivery of financial aid dollars to many needy students this fall.

While NASFAA is working with the Congress and the Education Department to implement more reasonable procedures for the future, we do want to alert you to the potential and very real cash flow problems your students may encounter if their student aid funds are delayed. We urge you to contact your financial aid office to ascertain the impact at your institution.

Sincerely yours,

We invite anyone who is still interested and has the time to join us this Saturday. YES. A financial stipend is available.

FROM THE STUDENT SERVICES AREA:

Labyrinths! Some of you have not had the chance to stop and pick up your copy of this "Student's Guide to LA". Be sure and do so this week. They are available in Bldg. 7 in the lobby.

STUDENT HANDBOOKS AND CALENDERS: Returning students are invited to also pick up their individual copies of the Student Handbook and Academic Calendar in Bldg. 7.

USC HEALTH FORMS: Please be sure to hand in your USC Health form in Bldg. 7. Continuing students who handed one in last year do not have to repeat, but new students must have one on file at USC.

Also, many new students have not yet handed in the Mount Health forms. One of these is to be on file in the Student Services office -- according to the rules, it should be in the file before you arrive on campus! Get those in before reminders have to be sent out. This is for your own protection in case of accident or health problem.

DELTAS Those students who signed up to be Deltas for the coming year (the Campus volunteer hostesses!) should check the board in Bldg. 4 for additional information. Any others wishing to join are asked to sign the sheet available on that board.

GROUP EXPERIENCE All of the groups have now met and are well underway. If any of the new students is not yet signed up, please check with Sr. James Marien right away. Fulfillment of this requirement is essential for those receiving their A.A degree.

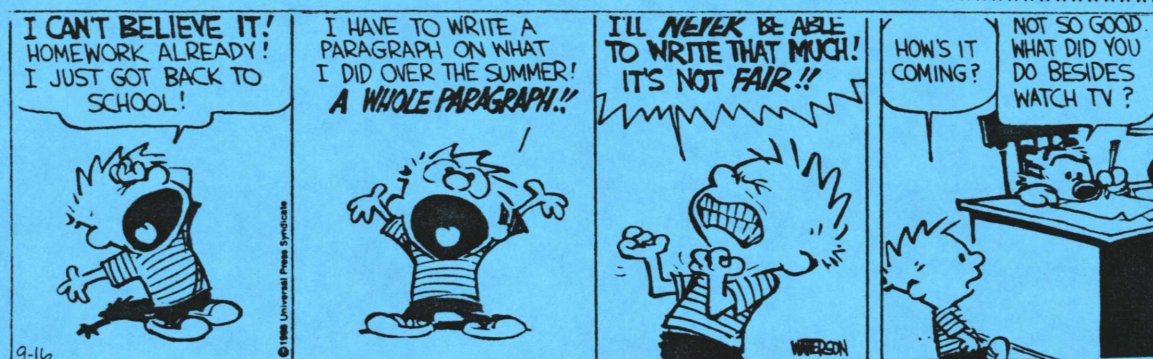

FROM THE ASB OFFICE

THANKS to all of you who joined us for our welcome BBQ. It's great to have a BIG SPLASH now and then!

We are in process of planning our HALLOWEEN DANCE scheduled for October 30th. Better start digging up your costumes now! You don't want to miss it!

Our next meeting will be Tuesday, October 7th, at 7:00 p.m. in the ASB office in Ahmanson Commons. New members are welcome!

We would like to encourage you to attend the "Starting Over" Dance being sponsored by Chalon's ASB on Friday, September 26th. We have arranged to have one shuttle available for those of you who do not have transportation. This will have to be on the first-come, first-serve basis. If you plan to attend and wish to ride the shuttle, please contact Sr. Kathleen Perry at Ext. 2272, or stop by her office in Bldg. 7.

Food and Common Sense

'Freshman Fat':

A Tough Course in Learning to Control Eating Habits

By DR. JEAN MAYER and JEANNE GOLDBERG Ph.D.

"Freshman fifteen" (pounds, that is) or "freshman fat": These terms strike fear in the hearts of many young women entering college. Unwanted weight gain is not limited to freshmen (think of "sophomore spread") or to females. But it seems to be a particular concern for women in their first year of college—and one that could be avoided.

The extra pounds are usually blamed on school food, which is labeled "starchy and fattening." The explanation is not that simple. Observation suggests the interplay of several factors. For many students, this is the first time they have complete control of their food selection for an extended period. They might not have noticed, but at home the dietary side of the weight-control equation may have been monitored by a nutrition-conscious parent who bought and prepared food with an eye to caloric balance.

This responsibility for their own nutritional well being, coupled with busy schedules, can combine to create a problem for freshmen. Some students make unwise choices as they move through the cafeteria line. Others feel too busy to bother with the dining hall at all and rely on vending machines stocked with foods often rich in calories and low in nutrients. Or they may rush out to fast-food establishments where they feast on high-fat, high-calorie items on the menu.

Late-night eating, a natural partner to studying in the wee hours, can add more calories than are burned during a sedentary day. And for some students, moving to a college campus means a drastic decrease in

physical activity. Their world may become smaller, more self-contained. Pressures of school work may lead them to give up activities that had been a regular feature of high school days. The decrease in physical activity causes a cut in caloric requirements.

A caloric imbalance sets the stage for significant weight gain. When that happens, and those comfortable old blue jeans turn into instruments of torture, the response is often a crash diet . . . little more than diet cola and cucumbers for two or three weeks.

It is argued that in well-nourished young women, nutritional deprivation for a short time will banish the excess poundage without ill effect. But there are drawbacks. Strenuous diets, even short ones, may hamper the ability to study. Moreover, a large part of the initial rapid weight loss in very low-calorie diets is water. The weight will quickly be regained when normal eating resumes.

Excess, Then Deprivation

And it is a rare individual who endures the rigors of a crash diet and then adapts eating and exercise habits that ensure continued weight control. More likely, she or he will fall into a rhythm of excess and deprivation. In the long term that is ill-advised and guarantees shortages of essential nutrients, including iron and calcium. Crash diets accomplish little.

While they may not have true eating disorders, many students take on behaviors characteristic of these disorders. A common practice is forced vomiting.

At a minimum, that is likely to cause destruction of tooth enamel.

This year's entering freshmen should eat defensively and exercise offensively to avoid extra pounds down the road. There is nothing about the food dished out in the famed dining halls of academia that makes weight gain inevitable. There is ample opportunity to overeat. However, campuses across the country have responded to requests of students for leaner fare, and may now offer low-fat and skin dairy products, salad bars with low-calorie dressings, vegetarian dishes and fresh fruit. The responsibility rests with students to choose wisely among their mealtime options.

Snacks are another potential pitfall. They are not taboo, but should be carefully planned. Bouillon, plain tea and coffee, and diet soda are all calorie free. If refrigerators are available, some students stock raw vegetables to chew on. Foods relatively low in calories make good snacks. Examples are unbuttered popcorn, pretzels, tomato juice, low-fat plain yogurt and fresh fruit. Even a piece of pizza is fine on a day when lunch was light. Some students may prefer to save some of their day's calories to allow for a substantial evening snack. The total caloric intake, not the distribution of calories, is what counts.

For those who don't play team sports, an array of athletic activities is offered at most schools. Facilities are often kept open long hours to accommodate student schedules. But the students must make the effort to use them. Regular physical activity not only helps control weight but aids in keeping appetite mechanisms functioning normally.

As the academic year begins, eat sensibly and exercise regularly. It will prevent extra stress during exam time caused by the urgent need to diet.

CONGRATULATIONS to Lisa Weaver who has been promoted to the position of Secretary to the Dean of the Doheny Campus! Lisa comes to the Dean's Office from the Education Department. She will replace Gretchen Glick, who has resigned from the Mount to pursue a career in Arts Administration in Cheyenne, Wyoming. Faculty and staff are encouraged to drop by Bldg. #10, Office 6A, on the Doheny Campus, and greet Lisa.

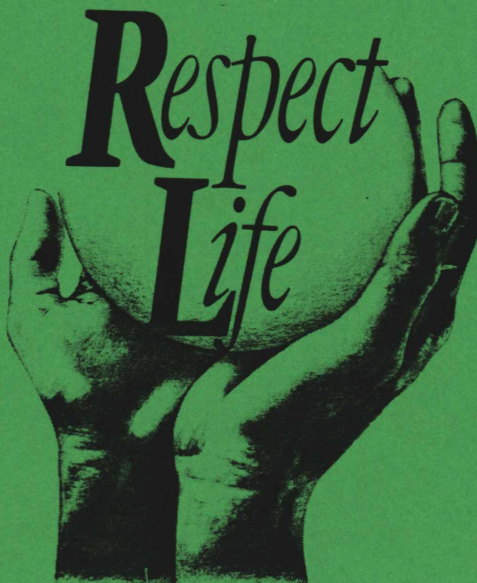

Lisa comes to the Dean's Office with a great deal of secretarial expertise. When not answering phones, typing, and filing, Lisa follows the progress of the San Diego Chargers. She's also an avid outdoor enthusiast, participating in tennis, swimming, and falling down on skis!

FROM CAMPUS MINISTRY

CONGRATULATIONS to ALMA ORNELAS and MARIA TINOCO who completed the full 28 miles in the UNITED WAY BIKE FESTIVAL this past Sunday! What an excellent way for us to begin our UNITED WAY CAMPAIGN. Our CLUB CONTEST begins today, Monday, October 6, and ends Wednesday, October 22. We invite all clubs comprised of students on this campus to take part in this contest. If you wish to do so, please submit a roster of club members to Sr. Kathleen Perry in Bldg.7, no later than noon on Thursday, October 9. TOGETHER, LET'S CARE!

THANK YOU for helping us with our SURVEY. We will be contacting you soon regarding your areas of interest.

RESPECT LIFE WEEK begins today. We have selected the United Way Campaign as our major focus since the funds raised will go to agencies that touch so many parts of people's lives. On WEDNESDAY, OCTOBER 8, at 6:30 p.m., you are invited to join us for PRAYER in CHAPEL. Jesus has told us that "Wherever two or three are gathered in my Name, there I am in the midst of them." What greater gift can we give?

FROM THE ASB OFFICE

Almost time to carve the Jack-O-Lanterns, pull out your witch costumes, and put on your dancing shoes! The Halloween Dance is only about three weeks away! This promises to be the event of the semester! Hope to see you there! The biggest pumpkin you have ever seen awaits you!

Want to help out and be part of our dance committee? We will be discussing the dance and future activities at our next ASB Meeting, Tuesday, October 7, at 7:00 p.m., in Donohue. BE PART OF THE ACTION! JOIN ASB!

You will be receiving a flyer in your mailboxes this week on resources and activities available to you at USC. Please keep it for future use.

FROM CONNIE REISS, COUNSELOR ON CAMPUS

Thank you for all the "hello's" and smiling faces as I see you on campus--or rather, as you see me! You have made me feel most welcome, and I look forward to seeing more and more of you.

Due to the fact that my hours on campus are limited, and several students have been asking for appointments, it is necessary to set up some kind of policy. Therefore, when you make an appointment, but need to cancel because of a conflict, please do so officially. Do not just fail to show up! Call either the switchboard and leave me a message, or call Ext. 2126 and do the same. If you do not formally cancel, but are a "no-show", there will be a \$3.00 charge. Please help with this so other students can be scheduled in your place. It will be appreciated! Thank you.

RED-LETTER THANKS! Special thanks to those thirty-one donors who gave of themselves for the Red Cross Blood Mobile last week. We are very grateful to each of you, and to those who gave it the "old college try" too! The next visit on campus will be in April--plan now to be a donor then. Thanks again!

CHRISTMAS FAIR? Does it sound a bit early to be even saying these words? Well, it really isn't if we mean the start of planning. The Fair will be in early December (dates still to be set) and will feature gifts and saleable items for your Christmas shopping list. Any club or group on campus who would like to sponsor a booth--and even any individual with items for sale--are invited to pick up information from the board in Bldg. 7. FROM THE STUDENT SERVICES AREA

ONLY 66 SHOPPING DAYS TIL CHRISTMAS! Can you believe this? Here it isn't even Halloween and we have an ad about Christmas! But, you can never be too early to plan. Therefore, start now preparing for the Christmas Fair.

In early December, on campus, we will offer items for sale for all of you "gift-givers of '86" -- the kind of things you can put into a stocking or wrap as a surprise for those special people. If you have a talent, or are in the craft business, or in a group which would like to put on a fundraising activity, this is your chance. Sign up now (in Bldg, 7, Office 4) for a booth and prepare to sell your wares. All profits go to the seller!

Keep looking for more information on dates, times, and possible products to look for in upcoming issues of Doheny Happenings. It should be a lot of fun for everyone!

FROM THE ASB OFFICE

Do you recognize some familiar faces on the bulletin board in Bldg. 4? LUCY CARBAJAL has begun training in water ballet. Hopefully, we will see her perform this coming Spring.

Friday, October 24, we have the opportunity to attend a taping of MY SISTER, SAM. The bus will pick us up in front of McIntyre, at 5:00p.m. for a 6:00p.m. taping. We only have room for 44. This is free and should be a lot of fun! Please sign up on the sheets posted in McIntyre and Bldg. 4, come by Bldg. 7, or call Ext. #2272, as soon as possible.

The MASQUERADE DANCE is only a week away! Get your costumes ready!

Information on opportunities available at USC will be in your mailboxes soon. Please keep it in a safe place throughout the year.

FROM THE DEAN'S ADVISORY BOARD

ATTENTION COMMUTERS: You can now receive discount meal tickets! They are available from Sister Barbara Cotton in the Business Office in Bldg. 10. The price is \$15.98, and these meal tickets can be used on both campuses. You can receive up to twenty dollars worth of food.

Need a Typewriter?

The typewriters which used to be available in the Learning Resource Center are now located for your convenience in the Library. The Library welcomes you to use them.

FROM THE DEAN'S ADVISORY BOARD

"DEAR DEAN"

The Dean's Advisory Board is initiating a suggestion box in which you are encouraged to write to the Dean your ideas, concerns and suggestions. Responses to common concerns will be in DOHENY HAPPENINGS and suggestions will be discussed with the Dean's Advisory Board.

Our first concern received asked why Building #4 was being painted rather than using those funds for other needs. Our response:

Dear Concerned Student:

Building #4 is being waterproofed and not just painted. This has been put off for a number of years in order to address other needs. It is now important that we waterproof or the rain will begin to seep into the building and it will be ruined.

Thank you for voicing your concern.

The Dean

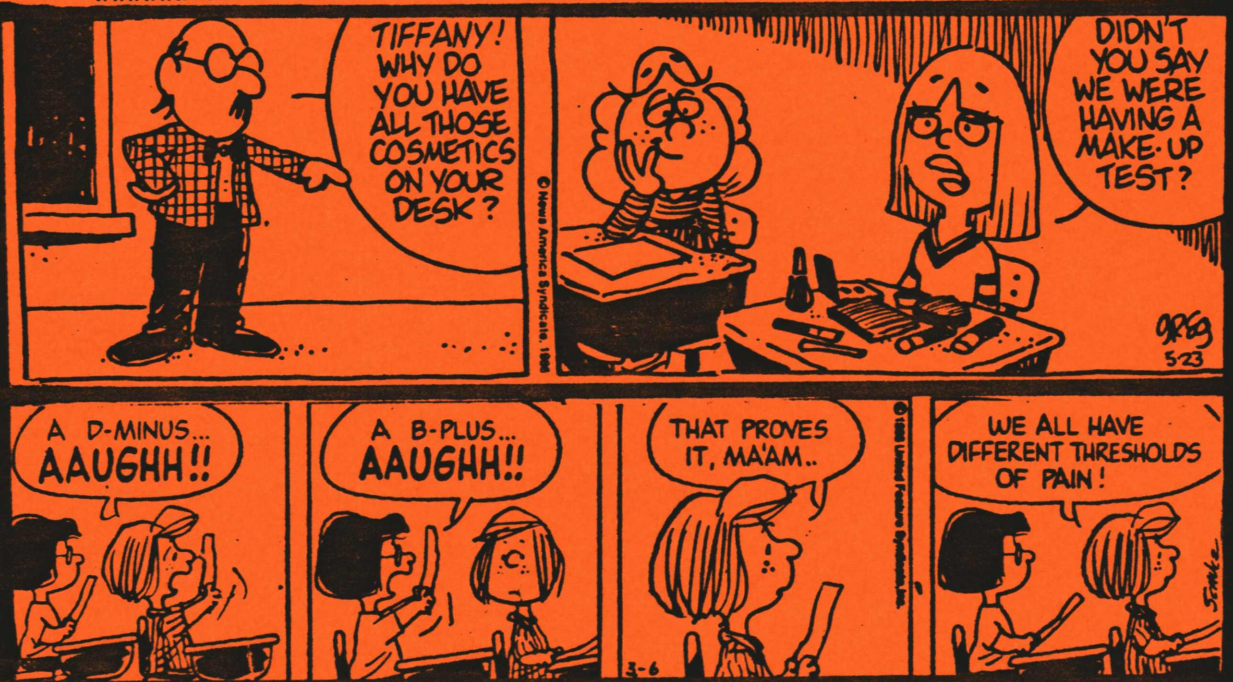

ATTENTION COMMUTERS: You can now receive discount meal tickets! They are available from Sister Barbara Cotton in the Business Office in Bldg. 10. The price is \$15.98, and these meal tickets can be used on both campuses. You can receive up to twenty dollars worth of food.

STUDY GROUPS: Having problems thinking logically? Your Anatomy class giving you the blues? Let us know; we want to help. Just sign up in Bldg. 4!

We are going to begin study groups for those students who work better in group situations.

STUDENT OF THE MONTH: We would like to give public recognition to students who are outstanding on the Doheny Campus. Each month we will include a nomination form so that anyone can nominate a student who deserves recognition: a student who contributes to the College by helping other students; who initiates and follows through on College projects; or who volunteers her time either in the civic community or at the College, in addition to being academically motivated. We encourage all to participate in this recognition program. A nomination is attached and will be attached monthly throughout the year. Please complete the form and return it to the switchboard in Bldg. 10.

HALLOWEEN is approaching! Why not give someone a treat? The Dean's Advisory Board will be selling candy stuffed in miniature pumpkins this Tuesday through Thursday, October 28-30, from 11:00a.m. to 2:00p.m. in Bldg. 4. They will be selling for only \$1:00, so buy several for your friends!

once.

Just a thought...

As I come to a friend's house
I, attired in my usual masks,
begin to remove them:
 one in the front hall,
 another in the living room,
 a third in the kitchen.
Why do I come, masked, at all?

CAGED BIRD

A free bird leaps
on the back of the wind
and floats downstream
till the current ends
and dips his wing
in the orange sun rays
and dares to claim the sky.

But a bird that stalks
down his narrow cage
can seldom see through
his bars of rage
his wings are clipped and
his feet are tied
so he opens his throat to sing.

The caged bird sings
with a fearful trill
of things unknown
but longed for still
and his tune is heard
on the distant hill

for the caged bird
sings of freedom.

The free bird thinks of another breeze
and the trade winds soft through the sighing trees
and the fat worms waiting on a dawn-bright lawn
and he names the sky his own.

But a caged bird stands on the grave of dreams
his shadow shouts on a nightmare scream
his wings are clipped and his feet are tied
so he opens his throat to sing.

The caged bird sings
with a fearful trill
of things unknown
but longed for still
and his tune is heard
on the distant hill
for the caged bird
sings of freedom.

TIES PROGRAM:

Teaching Immigrants English Skills. There are several Chalon and Doheny students doing just this! Sister Consuelo would like to invite other volunteers who would give three or four hours a week to serve the immigrants in Los Angeles by tutoring them in some basic English survival skills. We are teaching both Korean and Spanish speaking adults. This is what some of them say:

"I go student ingles for mi!"

"I come to learn English because I am in the country where the people speaks in English...."

"estoy estudiando ingles...porque me desespera no poder hacerlo...."

Won't you consider joining our program? It is a rewarding experience! Please contact Sister Consuelo for further information.

AUTOGRAPH PARTY

Would you like to meet a celebrated author of detective fiction? Are you looking for a unique Christmas gift? If the answer to even one of these questions is "Yes," then mark **Wednesday, December 10**, on your calendar. On December 10, from 4:00-6:00 p.m. in the **Rumpus Room** on the Chalon Campus, there will be a champagne reception and autograph party for Sister Carole Anne O'Marie, CSJ, creator of "the most delightful heroine to grace the page in quite a while--Sister Mary Helen" (National Catholic Register). Sister Mary Helen made her debut in **A Novena for Murder** (Scribner's, 1984). Now the septuagenarian, with an unusual practice of solving murder, is back. The new book is **Advent of Dying** (Delacorte Press, 1986). On December 10, Sister Carole Anne will autograph copies of her second Sister Mary Helen mystery and deliver a talk about her fiction. Come and meet the writer who inspired the San Francisco Chronicle to exclaim, "Miss Marple, move over!"

Sister Kathleen Kelly, Dean

As many of you who were here during Interterm know, Mr. Blundell, Supervisor of Buildings and Grounds, died on January 17. We will all miss him very much; he was such a very important person on our campus and a friend to all of us. We know that he is now with God, still protecting and caring for us. May he enjoy eternal peace.

Memorial cards and copies of an article about Mr. "B" are available at the switchboard in Building #10.

Sister Kathleen Kelly will be away from campus this week. Please see Sister Colleen McEver, Assistant to the Dean, for any immediate concerns that cannot be taken care of otherwise.

FROM THE PRESIDENT'S OFFICE:

Program to Increase Understanding of Ethnic Cultures and Learning:
Funded by the Consortium for the Advancement
of Private Higher Education (CAPHE)

Last year the Mount received a grant to study the relationship between ethnic cultures and learning. In these months we all have the opportunity to learn a great deal through projects planned in relation to this study. Maya Angelou's time with us was one of these projects.

Some have characterized the political and social development of the United States as "the grand experiment." Our society also has been characterized as a "melting pot" because people arriving here with ideals of freedom and development of individual potential have come from all parts of the globe. Still others have characterized the ethnicity of the United States as "a fruit bowl," reminding us that ethnicity is preserved with pride by various ethnic groups and that this variety has added unparalleled richness and vigor to our American culture.

Los Angeles is at the heart of a rapidly developing ethnic diversity. This increased diversity is the future of our country. As a liberal arts and Catholic women's college, we want to contribute to the understanding and appreciation of these ethnic cultures and learning.

This is a wonderful opportunity for all of us. I encourage you to take full advantage of the events and projects in this program.

However, sometimes we need your help. Whenever you see your name or the names of your friends identified with Mount St. Mary's College, will you please clip the article and send it to Box 51, Chalon. It helps when you include the name of the paper and the date the article appeared. Keep a sharp eye on newspapers; you might be surprised.

FINANCIAL AID OFFICE

(213) 476-2237

MEMORANDUM

From: Beverly R. Porter, Director of Financial Aid

To: All Students

Re: Financial Aid

It is now time to apply for financial assistance for the upcoming academic year, 1987-1988.

With the rising cost of education, financial aid often provides you with the opportunity to attend the college of your choice. Since there are so many factors involved in determining eligibility for financial aid, don't make the mistake of automatically disqualifying yourself.

Please take the time to complete the Student Aid Application for California (SAAC- 1987-88) and submit it early.

All California residents should apply for Cal Grants A, B and/or C, whichever is appropriate. You can find a description of these grants and application procedures in the Cal Grant Supplement or the Mount St. Mary's Financial Aid Brochure.

Both applications, SAAC and the Cal Grant Supplement, may be picked up from the Financial Aid Office during office hours.

When completing the SAAC, be certain to list in Section G, #41:

* California Student Aid Commission, CSS Code #0024

* Mount St. Mary's College- CSS Code #4493- Chalon Campus
or
CSS Code #4520- Doheny Campus

You must also fill out the Cal Grant Supplement to apply for Cal Grants A, B, or C. Mail the supplement together with your completed SAAC and appropriate fee to:

College Scholarship Service
Box 70
Berkeley, CA 94701

Remember, the DEADLINE for applying for Cal Grant is March 2, 1987.

If you have any questions, please don't hesitate to contact the Financial Aid Office.

"STUDENT OF THE MONTH" NOMINATIONS

We would like to give public recognition to students who are outstanding on the Doheny Campus. Each month we will include a nomination form so that anyone can nominate a student who deserves recognition: a student who contributes to the College by helping other students, who initiates and follows through on projects, or who volunteers her time either in the civic community or at the college--in addition to being academically motivated. We encourage you to participate in this recognition program. Two nomination forms are attached to this issue of Doheny Happenings. Please complete a nomination form (or two) and return it to the Dean's Office in Building #10.

STEP EARLY WARNING NOTICES

If you are experiencing academic difficulty, faculty will be giving you a STEP EARLY WARNING NOTICE during the next two weeks. This is only a warning and will give you a chance to improve by mid-semester.

MEMORANDUM

From: Beverly R. Porter, Director of Financial Aid
To: All Students
Re: Financial Aid

It is now time to apply for financial assistance for the upcoming academic year, 1987-1988.

With the rising cost of education, financial aid often provides you with the opportunity to attend the college of your choice. Since there are so many factors involved in determining eligibility for financial aid, don't make the mistake of automatically disqualifying yourself.

Please take the time to complete the Student Aid Application for California (SAAC- 1987-88) and submit it early.

All California residents should apply for Cal Grants A, B and/or C, whichever is appropriate. You can find a description of these grants and application procedures in the Cal Grant Supplement or the Mount St. Mary's Financial Aid Brochure.

Both applications, SAAC and the Cal Grant Supplement, may be picked up from the Financial Aid Office during office hours.

When completing the SAAC, be certain to list in Section G, #41:

- * California Student Aid Commission, CSS Code #0024
- * Mount St. Mary's College- CSS Code #4493- Chalon Campus
or
CSS Code #4520- Doheny Campus

You must also fill out the Cal Grant Supplement to apply for Cal Grants A, B, or C. Mail the supplement together with your completed SAAC and appropriate fee to:

College Scholarship Service
Box 70
Berkeley, CA 94701

Remember, the DEADLINE for applying for Cal Grant is March 2, 1987.

If you have any questions, please don't hesitate to contact the Financial Aid Office.

FROM THE DEAN'S OFFICE

By now you should have received a copy of the Student Questionnaire from the Enrollment Management Program. This program is being developed in order to understand better the needs of our students, and to put in place plans which will respond to student concerns.

If you haven't received your Questionnaire, please stop by the Dean's Office in #10 and pick one up from Lisa. Your help in completing the survey will be greatly appreciated.

A REMINDER! TURN IN YOUR NOMINATIONS FOR STUDENT OF THE MONTH. IF YOU NEED ADDITIONAL FORMS, THEY ARE AVAILABLE IN THE DEAN'S OFFICE.

FROM THE BUSINESS OFFICE, DOHENY

Within the past six weeks, there have been a series of attempted - and successful - car thefts and break-ins of cars parked on campus. Evidently, most have occurred during daylight hours.

Cont.

Each of you is asked, please, to report to Security, Switchboard, Maintenance, Student Services--someone--whenever you see anyone whom you have not seen before on Campus, anyone wandering around any of the parked cars, or anyone who does not appear to be a member of the Mount community.

If each person takes some responsibility in this matter, we may be able to keep such occurrences to a minimum--or entirely prevent them.

FROM THE ADVISEMENT CENTER

FROM THE LIBERAL ART CLUB

Do you enjoy writing? Did you know that the Mount has its very own newspaper? Yes, we do! It's called The View. It has already had two issues published this year. It's been established on the Chalon campus, and we'd like the Doheny students to get involved as well.

If you think you'd like to be a staff member for The View, please sign-up in Bldg #4. There's a list on the bulletin board under Liberal Arts Club.

FROM THE LIBRARY

COLLEGE ARCHIVES: Archives is not receiving the needed information to maintain a complete history of the activities of Mount St. Mary's College on both the Chalon and Doheny Campus. Therefore, it is again requested that each department and organization--academic, religious and social--send two copies of every flyer, program, bulletin, newsletter, invitation, calendar, announcement, chronicle, etc., issued from your department or organization. Please inform any student help of the importance of this request.

Thank you for the help in this project.

FROM THE NEWS OFFICE

ABOUT FILM LOCATIONS & SCHOLARSHIPS: All Mount people know that both campuses are in demand for commercial and movie location, and that location fees therefrom provide either endowed or expendable scholarships for students. But do you feel comfortable handling questions that come to you by phone or from visitors on campus? Try this clearcut answer: "Photography on our campus is arranged by contract. The one person you call for an appointment is Sister Anne Marie, at the Chalon Campus Number, 476-2237." Who knows? The scholarship you make possible may be your own, or a friend's. And, oh yes! the authorized film scouting teams are always accompanied by Sister Anne Marie, because they are keeping an appointment with her--possibly for your scholarship fund, if the scheduling is smooth.

FROM THE DEAN'S ADVISORY BOARD

"DEAR DEAN"

--Why don't we have more social and cultural activities at Doheny? It is really boring on weekends!

Dear concerned student:

I would like to suggest that you go to an ASB meeting (dates and times are published in "DOHENY HAPPENINGS") and present your ideas and see if you can get a group to plan activities. Also, for Residence activities, talk to Resident Council and present your ideas.

You might also present ideas to the Dean's Advisory Board--Susan Sayegh is chair.

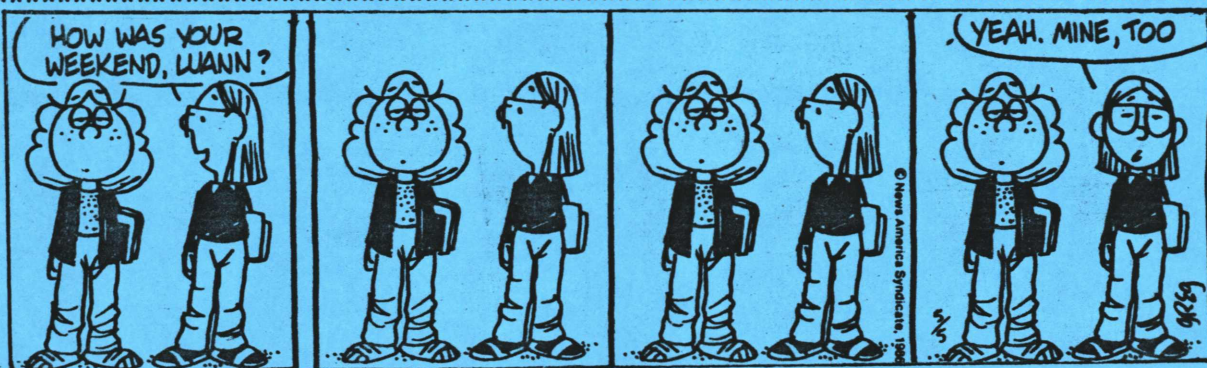

Part of being a college student is to exercise leadership and plan activities. There are groups on campus who will support you and work with you to implement your ideas. Please contact them and get involved in helping to initiate and carry through activities.

--Are all our courses at Doheny transferrable to Chalon? Does our financial aid continue there?

Dear concerned student:

All courses transfer to Chalon except those specified in your Catalog. Some courses transfer as electives and not as particular Department requirements. You should check with your Advisor.

Your financial aid does continue. There are also additional scholarships available--the Transfer Award is described in DOHENY HAPPENINGS. Financial aid can continue through a fifth year that is needed to complete your baccalaureate degree. Check with the Financial Aid Office if you have particular questions (Bldg. #10, second floor).

**WOMEN'S HISTORY MONTH:
HONORING GENERATIONS OF COMPASSION, COURAGE AND CONVICTION**

By identifying and honoring the countless women who, in the past as well as the present, have contributed to shaping our nation, we close the gaps which have misled us about the many significant roles women play in our society. This year, the theme to focus our recognition of women's history is "Honoring Generations of Compassion, Courage and Conviction." Communities nationwide will be using this theme for women's history programs.

Compassion is demonstrated in the lives of women from the past like Eleanor Roosevelt (1884-1962), a social reformer, and Sarah Winnemucca (1844-1891), Indian leader, who fought for the welfare of her people. This trait can also be seen in our own communities today with the unrelenting efforts of health professionals, social workers, teachers, and, of course, mothers and grandmothers.

Courage is present in the example of women in our shared history, like Harriet Tubman (c.1820-1913), fugitive slave and rescuer of slaves during the Civil War, and Liliuokalani (1838-1917), last sovereign of Hawaii. In our own lifetimes we have seen many women courageously become "the first woman" in a wide range of endeavors from space flight to vice presidential candidate. We have also witnessed women of courage who have taken unpopular stances on controversial political or social issues.

Conviction? Our models must certainly include Mary McLeod Bethune (1875-1955), educator and civil rights reformer, and Susan B. Anthony (1820-1906), woman suffrage leader, whose entire active lives were committed to equal rights for women. Locally, we all find women in our communities committed to their particular visions; we find women operating businesses, Sunday school teachers--and other teachers as well, motivated by their own continuing sense of conviction.

This year, five women--Ada Deer, Frances Willard, Mary Shadd Cary, Tye Leung Schulze and Felisa Rincon de Gautier--are honored on the National Women's History Month commemorative poster for their clear demonstration of these three attributes. In living out their individual lives, each becomes a model for others to emulate.

National Women's History Month encourages us to recognize all of the women in our communities and our nation, now and in the past, who have been beacons of compassion, courage and conviction--often all three at once. National Women's History Month provides an opportunity to balance the historical record, to create a public awareness of women's contributions in every sphere of our shared history and contemporary life.

Being Alive

What friends give
like God
unlike "The World"
is
being.
Being alive
with gladness and peace
in my own being
which nothing can take away
for
they who know me best
love me best
and I, them
my God, my friends.

His
calling me by name
revealing my name
through my friends
when I accept their love
and they, mine
we are
in our living
simply
one.

FROM THE ENGLISH DEPARTMENT

Congratulations to Christine Tchalakian, part-time English faculty at Doheny! Her article, "One Part-Timer's New Semester Revolutions," has been published in the March issue of Inside English, the quarterly journal of the English Council of California Two-Year Colleges (ECCTYC). Besides her freshman English course at the Mount, Christine also teaches at Cerritos College and Pasadena and Glendale City Colleges.

FROM THE FACILITIES OFFICE

Most of you are aware that we rent out the facilities for educational conferences & workshops, and wedding receptions. But do you know why? In part it is to increase the visibility of the school within the community, so more people will know about MSMC. The other reason is to earn money for the College so that costs can stay as low as possible.

Each one of you can help us with this project--by keeping your eyes and ears open to friends, neighbors, associates who may want to rent a location to hold an event. Surely you can tell them about MSMC! Our prices are reasonable and competitive, and the location can't be beat.

We would really appreciate your help. You can call or come by the Facilities office (next to the switchboard at Chalon) or call Barbara Zajac (Ex. 3330) for a brochure and more information. Or, if you have any ideas, I'd be happy to hear them.

Thank you.

STRUCK BY THE STRIKE!

Unfortunately we were not able to hold our Annual Spring Blood Drive on April 8, due to the strike by the Red Cross Nurses. There is a hope that a mini-mobile will be able to come to campus in May for a couple of hours. If so, we will post signs and ask that anyone who can give will drop by and do so. There will undoubtedly be a shortage by the time the strike ends and so you will be needed! Thanks though to all those who volunteered-- we did have 40 names (our quota for sign-ups) by the day of the proposed drive. So, thank you all!

GRADUATES! WHERE ARE YOU?

We are not doing well with the returned number of graduate packets. PLEASE get them in so that we can prepare your programs, etc. for Commencement and all the various celebrations of Graduation Weekend. Turn items in before you leave on the Easter Break at Bldg. 7.

LAUREL AWARD NOMINATIONS:

All Doheny students are eligible to nominate students for the traditional Laurel Awards. These are given to involved students by their peers. The forms were actually due on April 8, but we will extend the date to Monday, April 13. Forms are available on the bulletin board in #4 for undergraduates -- the graduates have theirs with their packets -- and are due in Bldg. 7. Take advantage of your chance to voice your opinion on the awards.

FROM THE DEAN'S ADVISORY BOARD

"STUDENT OF THE MONTH" NOMINATIONS

We would like to give public recognition to students who are outstanding on the Doheny Campus. Each month we will include a nomination form so that anyone can nominate a student who deserves recognition: a student who contributes to the College by helping other students, who initiates and follows through on projects, or who volunteers her time either in the civic community or at the college --in addition to being academically motivated. We encourage you to participate in this recognition program. Two nomination forms are attached to this issue of Doheny Happenings. Please complete a nomination form (or two) and return in to the Dean's Office in Bldg. #10.

FROM THE ESOLD OFFICE

The TIES are inviting interested students who would like to serve in a literacy program to help adults learn to speak, read and write some basic English. If you wish to find out more about it, call or visit Sister Consuelo in her office (Bldg. 11, Rm. 10, Ext. 2269). One only has to have a desire to help others and to know how to find a block of time in which to do this service. Knowing another foreign language is not a requisite.

Would you like to be a "sister" to a foreign student? Would your family be interested in being a host-family for a Mount foreign student who will be living far-away from home? Please call or see Sister Consuelo if you would like to find out more about hosting an ESOLD student who is coming to study at the Mount. We need your help in finding a home away from home for two Japanese students who will be arriving in June. Thank you.

The Doheny Campus Community sends prayers and sympathy to Janet Ortiz on the death of her brother, Victor, who was killed in an automobile accident during Easter Break.

FROM THE ADVISEMENT CENTER

EARLY ADVISEMENT/REGISTRATION: Please do not wait until the days just before filling your registration to meet with your advisor and plan your courses. You are **STRONGLY** encouraged to plan your courses EARLY and to FILE your registration papers at the assigned times.

RETURNING students will not be advised nor be able to file registration from July 30 through September 4. Plan ahead; FILE EARLY. As we begin to advise the incoming students, classes will fill up and if you have not filed early, you may not get the classes you planned to take. REMEMBER: NO FILING, NO ADVISING FROM JULY 30 through SEPTEMBER 4. (NOTE THE DATE ON YOUR 1987-1988 CALENDAR.)

Remember, too, that Monday, September 7 is Labor Day, a legal holiday, and that Tuesday, September 8, all Faculty/Staff will be attending the scheduled Convocation. No advisors will be available until September 9 or 10, depending on their class schedules.

SUMMER SCHOOL: Reminder: if you are planning to attend classes during the summer to "make-up" classes or to get "pre-requisites" completed, you need to obtain a TRANSFER OF CREDIT CLEARANCE FORM from the REGISTRAR'S OFFICE, BUILDING 10. This form has to be signed by your advisor after it has been verified that the course(s) satisfy our requirements.

If you are repeating a course, you ALSO need the REPETITION OF COURSE form. ANOTHER THING to consider: are you getting close to graduation? If so, REMEMBER, the LAST 24 units have to be taken at MSMC; so, if you are planning to attend summer school, you also need a PETITION to waive the Residency requirement, if you want the College to approve those units towards your graduation.

PLEASE PLAN AHEAD! Exams are close upon you and there are many activities coming along; don't forget to do the necessary PAPER WORK for your FALL classes, and, if necessary, for SUMMER.

FROM THE NURSING DEPARTMENT

NURSING STUDENTS:

All returning nursing students please pick up a copy of the physical exam form in H411 at Chalon or in the Nursing Department in Bldg. #2 at Doheny. All forms are DUE MAY 15th to Health Services at Chalon. Forms must be completely filled out and signed in order for students to begin clinical in the fall.

FROM THE NEWS OFFICE

MOUNT STUDENT ON TV

"Youth & The Issues," Channel 9 public affairs tv-show to air the mornings of May 11, 12, will feature Angela Linsey, a Business and English major, on a panel of university students. The topic is: "Fertility Rights and Wrongs."

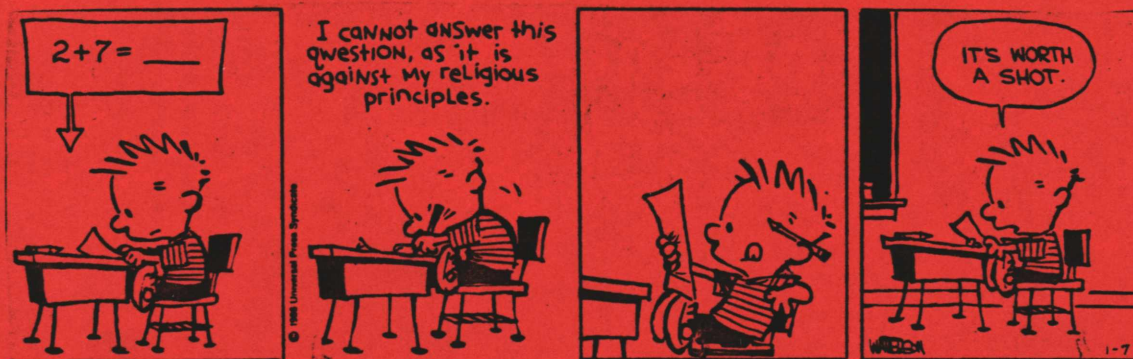

Opportunities for guesting on tv-shows are arranged through the college News Office. Let us know if you are interested in speaking out on a particular topic currently in the news. Leave word with Sr. Anne Marie, Box 51, Chalon.

FOR JOHN PAUL II

On April 30 and May 1, a production company from Indiana was on both campuses, taping segments of a video about Catholic colleges and universities to be shown for Pope John Paul II when he visits the U.S. this fall. Bryant Gumble will be the video host. Presidents interviewed were Sister Magdalen and Notre Dame's Father Hesburgh.

Mount St. Mary's was one of the ten higher education institutions selected, including Xavier in New Orleans, New Rochelle, Boston College, St. Edward's in Austin, Notre Dame, Mt. St. Vincent's, Loyola Chicago Med-School, Georgetown, Catholic University, and some state university campus ministry centers. All on 15-minute tape! There may be a 30-minute version for use on national cable, by October. At the Mount we are asking for our own copy.

From Sr. Anne Marie, assisted by Derek Garbellini, the News Office sends thanks to all the students and staff who became involved with the video "instant" walk-ons, as well as to the "prepared" participants: Sisters Magdalen, Kathleen Kelly, and Joseph Adele; Dr. Colavito, Mary Jane Bautista, Euvonka Farabee, Letitia Vigil, Belen Diaz de Leon, Wen Lin Chang, Carla Mena, Anh Phan, Angela Linsey, and Kelly Kester.

FROM THE ADVISEMENT CENTER

EARLY ADVISEMENT/REGISTRATION

Returning students will not be advised nor be able to file their registration forms July 30 through September 3. Plan ahead; FILE EARLY. As we begin to advise the incoming students, classes will fill up and if you have not filed early, you may not get the classes you planned to take. REMEMBER: NO FILING, NO ADVISING FROM JULY 30 through SEPTEMBER 3. (NOTE THE DATE ON YOUR 1987-1988 ACADEMIC CALENDAR.)

SUMMER SCHOOL

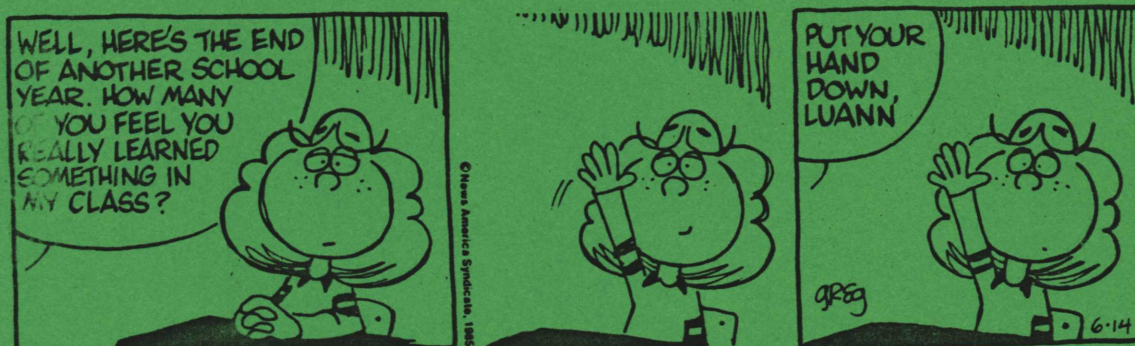

If you are planning to attend classes during the summer to "make up" classes or to get "pre-requisites" completed, you need to obtain a TRANSFER OF CREDIT CLEARANCE FORM from the REGISTRAR'S OFFICE, Bldg. 10. This form has to be signed by YOUR ADVISOR after it has been verified that the course(s) satisfy MSMC requirements.

If you are repeating a course, you ALSO need the REPETITION OF COURSE form. ANOTHER THING to consider: Are you getting close to graduation? If so, REMEMBER, the last 24 units have to be at MSMC before A.A. graduation, so if you are planning to attend summer school, you ALSO need a PETITION to waive the requirement and to get the College's approval to count those units towards your graduation.

Since most advisors will not be on campus much of the Summer, it would be very helpful to phone ahead before coming on to campus to get signatures, etc. The Advisement Center will do the paperwork for transfer of credit clearance and for those whose advisors are not on campus, but PLEASE phone ahead. Sister Rose Leonard will not be on campus May 26 through June 5. If you need signatures for TRANSFER OF CREDIT CLEARANCE Forms and your advisor or Sister Rose is not available, please go to the Registrar's Office and Sister Patricia will sign.

PLEASE PLAN AHEAD! Don't forget to do this necessary PAPER WORK for your FALL classes, and if necessary, for SUMMER CLASSES.

CONGRATULATIONS to Elizabeth Anne Frostig, who was informed last week that she has received the Benjamin Franklin Award (a tuition scholarship) to study at the Heidelberg Study Center of Schiller International University in Germany, for the 1987/88 academic year.
